1. Typographical Style

Summaries should be written in English. Use A4 paper (210 × 297 mm) with 2.54 cm margins on all sides. Use a 10 pt Roman font (such as Times New Roman) for text and Symbol where appropriate. The font sizes are summarized in Table 1. Equations, tables, and figures must fit within the **two-page limit**.

2. Title

The title should be typed in 14 pt boldface font and centered. Leave a single empty line (12 pt) after the title line(s).

3. Authors and affiliations

Author names should be typed in 10 pt boldface. Affiliations should be typed in 9 pt italicized font. Leave a single empty line (12 pt) after the affiliation line(s).

4. Abstract

Use Roman 10 pt. Justify the paragraph (on both right and left). Provide a concise summary of the work, including the problem, methods, key results, and conclusions. Limit to **35 words**. Leave a single empty line (12 pt) after the abstract.

5. Notation

Notation should be consistent and clear. Define acronyms on first use. Equations should be centered, with numbers aligned to the right.

6. Figures and Tables

Figures and tables should be centered and placed within margins, as shown in Fig.1. Captions for tables appear above; figure captions appear below. Ensure clarity and legibility. They will be shown in color in the electronic version of the abstract.

7. Submission

The file should be submitted in PDF format through the conference website. Files larger than 5 MB will be rejected. It is your responsibility to check that the abstract is correctly formatted and readable. Incorrectly formatted abstracts will be rejected. Do not modify the predefined margins.
